## Single-Year Scholarships

### WOULD YOU LIKE TO SPONSOR AN APTF SCHOLARSHIP?

Unlike permanent, named scholarships that require a \$50,000+ commitment, Single-Year Scholarships provide individuals and organizations the opportunity to sponsor a scholarship at a reduced funding commitment.

### FUNDING REQUIREMENTS

- ◆ The minimum amount for a Single-Year Scholarship is \$5,000 and may be funded by a single organization or individual or through multiple smaller contributions.
- ◆ Individual donors contributing less than the \$5,000 minimum (but at least \$2,000) may fund a jointly-named scholarship, i.e., the Smith-Jones Scholarship.
- ◆ Contributions in multiples of \$5,000 may be used to fund additional scholarships in succeeding years or to fund multiple scholarships in one year.
- ◆ Single-Year Scholarships are subject to a one-time 10% administrative fee.

### BENEFIT

- ◆ Single-Year Scholarships will be recognized in APTF materials and announcements.
- ◆ Donors may designate the preferred demographic characteristics of the recipient of their scholarship, i.e., area of study, geographic location, etc.

### DID YOU KNOW?

In 2016, the APTF was able to fund only 60% of the qualified applicants

### TIMELINE

- ◆ Single-Year Scholarships must be fully funded by July 15 to be considered by the APTF Board of Directors.
- ◆ Single-Year Scholarships will be promoted during the scholar application process and recipients will be selected by the APTF Board at the scholarship selection meeting in August. Scholarships will be awarded at APTA's 2017 Annual Meeting and EXPO.
